### FASTLANE GLASSGATE 400

Square end pedestals  
5.0' barrier height glass  
Internally mounted card reader on top  
Industry: Energy

The image shows three turnstiles in a modern lobby. The turnstiles are made of brass with a square end pedestal design. They have a custom anodized black arm and a top-mounted Fastscan sensor with a bezel slot. The floor is made of polished brown and white marble tiles. The walls are also made of marble, with some dark green sections. The turnstiles are arranged in a line, and the lighting is bright, reflecting off the polished surfaces.

**FASTLANE PLUS 400 MA**

Square end pedestals

Brass Rimex finish with glass inset tops

Custom Anodized Black arm

Top mounted Fastscan with bezel slot

Industry: Media

## Fastlane Plus 400 MA
