# Fastlane<sup>®</sup> Floor Protector

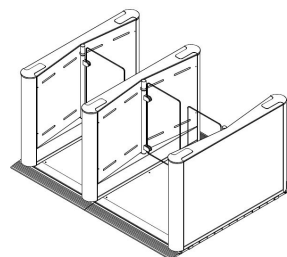

EXAMPLES OF FLOOR PROTECTORS

Model: Glassgate 300

Model: Glassgate 200

## Supplemental Floor Protection System

The Fastlane Floor Protector is a modular system designed to enable installation of Fastlane optical turnstiles without drilling or running cables under flooring, making it ideal for locations with delicate flooring materials or temporary installations while maintaining ADA compliance.

### Overview

The Floor Protector system offers a comprehensive solution for non-invasive turnstile installation:

- Enables quick, efficient, and cost-effective installation without floor damage
- Designed as a series of metal components clamped to Unistrut<sup>®</sup> Single Channels
- Compatible with all Fastlane turnstile models

### Applications

This versatile system addresses multiple installation scenarios where traditional mounting methods aren't feasible:

- Perfect for floors with marble, tile, granite where drilling is restricted
- Suitable for temporary installations where building modifications are prohibited
- Ideal when tenants cannot alter building infrastructure

### Accessibility

The system prioritizes universal access while maintaining security standards:

- Fully ADA compliant specifications
- Wheelchair-friendly access with appropriate ramp angle and height
- Standard lane width: 26" (660 mm)
- ADA lane width: 36" (914 mm)
- Available for extended widths up to 47.24"

FLOOR PROTECTOR TECHNICAL SPECIFICATIONS

Material	Mild Steel and black rubber ramps
<b>Base Dimensions</b>	
Height	.79" (20 mm)
Slope Angle	1 in 12
Length	Vary based on model chosen
Black rubber ramps	Extend 8.75" beyond model length upon entry and exit
<b>Other</b>	
Cable tray dimensions	2" x .6" (50 mm x 15 mm)
Color	Black

\* Due to continuous improvements, specifications are subject to change without prior notice.

Installation Features

The system's design emphasizes ease of installation and adaptability:

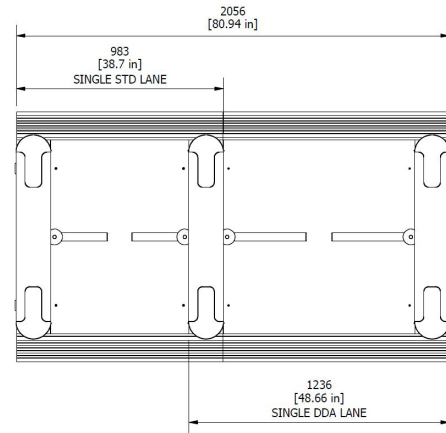

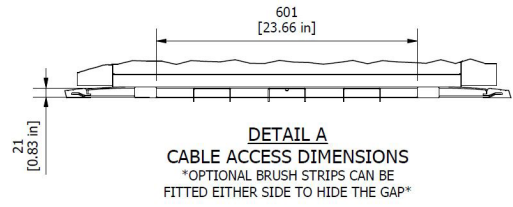

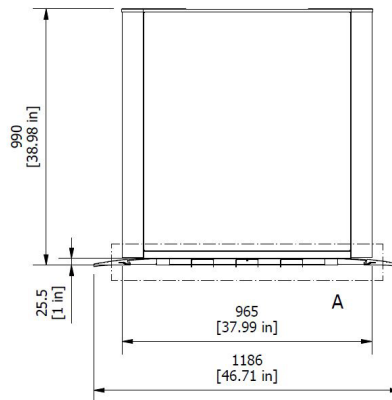

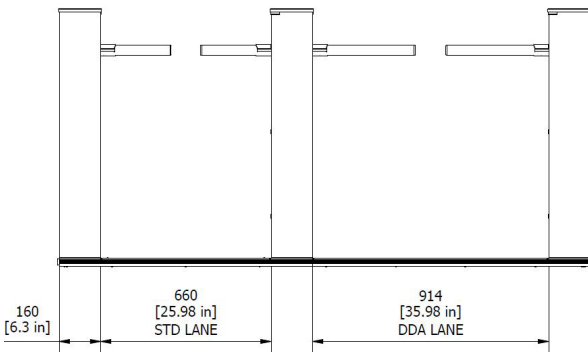

- No drilling required for mounting
- No under-floor cable routing needed
- Components clamp to Unistrut® Single Channels
- Available in black finish
- Includes cable management system
