

Fastlane® & Door Detective®

Make Every Entrance Smarter

The finest in turnstiles and doorway-mounted entrance control, backed by the ultimate customer service.

Unrivaled breadth of choice with everything you need, Smarter Security® offers Fastlane, the top-selling brand of optical turnstiles for lobby security and Door Detective, a cost-efficient way to reduce unauthorized entry violations throughout a facility.

Here's a look at what you will see in the Smarter Security booth.

Fastlane Glassgate 150

Our most compact, economic, and popular model offers unsurpassed accuracy and speed up to one person per second.

FEATURES INCLUDE:

- Powder coated white finish
- White Onyx Corian inserts
- Phonescan window
- Extended ends
- Axis camera
- Fastscan

Fastlane Glassgate 155

Concealed optical systems for a sleeker look, optional locking brakes and lane widths up to 47".

FEATURES INCLUDE:

- 304 stainless steel finish with Corian Black Quartz inserts
- 43" lane width
- IDEMIA MorphoWave reader
- Locking brake
- Friction brake
- NEW dual entry collusion technology

Fastlane Glassgate 300

Striking t-shaped design and ultra-sleek frame with glass sides, four barrier-height options and a locking brake option.

FEATURES INCLUDE:

- Custom bronze finish
- Locking brake
- Fastscan phone scan
- Prox reader

Fastlane Glassgate 400

A premium model for high-security applications, with a robust footprint, four glass heights and a locking brake option.

FEATURES INCLUDE:

- Custom gunmetal finish
- Hard brake
- Prox reader
- Essex iRoxPlus™ smart card reader

Door Detective Plus

Door Detective works with access-controlled doors using a network of beam paths with neural network intelligence. It prevents unauthorized entrants and tailgating, and enforces direction control.

FEATURES INCLUDE:

- Size 29.5" x 2.4" x 4.25"
- Max lane width 82.68"
- Internal CPU and PoE power
- IP communications to support remote configuration and population counting
- Unsurpassed tailgate detection
